GRAND CIRCUIT TROTTING Bondella Wins North Randall

Stakes in Fast Time. Cleveland, July 20.—Bondella, the trim little daughter of Walnut Hall, was the sensation of to-day's programme of the Grand Circuit meet at North Randall track.

Well handled by Tommy Murphy, she won the North Randall Stakes for trotters, without effort, outclassing her asset bold and stepping a mile in 2:07%. As worthy.

The 2:12 pace developed into one of the greatest two-horse duels ever seen here, Judge Ormonde and Peter Farren fighting it out in every heat, the former getting the verdict.

Lelia Patchen won the 2:05 pace and A Mack the 2:19 trot.

Why try and reply to the maudlin rave of the ignorant? No commonwealth has made a finer showing in war than Scotland, where the majority are golfers. Golf has lost more star contenders than any other one sport, but what are the records to a guy with an argument to start?

On the Road.

If we are to obtain any answer as to the ultimate destination of the National League flag it will come in the success of some Eastern line-up on the road. The club that can keep pounding forward these next two or three weeks away from home should win out—provided any one of the Eastern four can pack away a winning pace while shrivelling under a Western July and August sun.

Back Home.

Where is exactly where the present odds favor the Red Sox. They have been able to continue their uplift on the road and are almost sure to reach Fendank out West there is no outstanding show that these two clubs can charge into Boston and beat the Red Sox at home.

PRINGE ALBERT

is such good tobacco you feel like you could just eat the smoke!

Yes, sir, P. A. puts a razor edge on your smoke-appetite-division that's nobby enough

to be photographed! No other pipe and cigarette tobacco can be like Prince Albert, because no other tobacco can be made like Prince Albert. The patented process fixes that -and removes the tongue-bite and throat parch! Let that digest!

And that line of conversation is 24 kt., whether you play P. A. in your old jimmy pipe or roll it into a makin's cigarette.

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

For you can put your little old blue-pencil O. K. right here that Prince Albert is a regular double-header for a single admission -as joy'us to your tongue and taste one way as the other!

Will the "rollers" kindly step forward for a spell and get some of this listen into their systems? Because Prince Albert certain and sure jams more joy into a makin's paper than ever before was figured up on two hands!

In the plain language of the hills, you can't any more resist such makin's tobacco than a bullfrog can pass up a piece of red flannel! Because P. A. hands to you everything any cigarette roller ever dreamed-out-rare flavor, and aroma, and mildness, and body; absolutely the best bet-the best smoke

you or any other man ever did roll and put the fire to! Men, we tell you to wise up.

P. A. is crimp cut and stays put—which means rolling P. A. is as easy as falling off a log. And it's good to remember P. A. is put up in the toppy red bag especially for you "rollers." Sells for the price of a jitney ride, 5c.

Now, will the "pipers" kindly open both ears?

Here's tobacco that has made it possible for three men to smoke pipes where one smoked before!

Any way you hook it up, Prince Albert is tobacco insurance! Yes, sir, it guarantees your future as well as your present smokings! And just makes your tongue so jimmy pipe joy'us that your smoke appetite grows whopping big. You men who "dassn't," we say you go to P. A., natural-like! Because

there isn't a bite in a barrel of this national joy smoke.

Unlimber your old jimmy pipe! Dig it out of the dark corner, jam it brimful of P. A. And make fire with a match! Me-o-my!

You get acquainted with Prince Albert in the toppy red bag, 5c; or tidy red tin, 10c, but for the double-back-action-joy, you buy a crystal-glass pound humidor. And then you're set! You see, it has the sponge-moistener top and keeps
P. A. at the highest top-notch point of perfection. Prince Albert is also sold in pound and half-pound tin humidors.
